

UNIVERSITY OF NAIROBI
OPEN, DISTANCE AND e-LEARNING CAMPUS

Short Lifelong Learning Courses

The University of Nairobi, Open, Distance & e-Learning Campus offers short lifelong learning courses that provide specific knowledge, skills and competencies to build the capacity of people to be productive at the individual, organizational and societal levels. The courses will be facilitated by professionals with knowledge and hands-on experience and expertise in their areas of specialization. Innovative and creative training methods used will guarantee participants solutions to their concerns
